<b>Summary of Primary Sport Premium 2023 - 2024</b>				
<p>The DfE's guidance for Sport Premium explains that the premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the 2023 to 2024 academic year, to encourage the development of healthy, active lifestyles.</p> <p>As a school we aim to:</p> <ul style="list-style-type: none"> <li>• Further improve the provision of PE &amp; school sport.</li> <li>• Work towards PE and school sport provision being judged outstanding by external monitoring.</li> <li>• Further develop a passion for sport and physical activity.</li> <li>• Further develop active play and engagement at break times and lunch times.</li> <li>• Increase the fitness and health of pupils.</li> <li>• Develop young citizens through teamwork and sporting attitudes.</li> <li>• Offer free sports and physical activity extra-curricular clubs to all pupils.</li> </ul>				
<b>Outline of Primary Sport Premium spending 2023 - 2024</b>				
Item/project	Cost	Objectives	Intended Outcome	Impact
1. The OPAL Primary Programme	£1846  (This is only part of the overall cost. The remaining funding came from elsewhere)	<p>Further embedding of the OPAL Primary Programme through the inclusion of high-quality play sandpits in the school.</p> <p>A wide range of quality, engaging play opportunities for all children that promote and support various aspects of learning and encourage healthy, active lifestyles.</p>	<p>OPAL is an award-winning, mentor supported school improvement programme that addresses all the areas that schools must plan for if they want to strategically and sustainably improve the quality of their play opportunities.</p> <p>We began our OPAL journey in 2022-23 and we are looking to strengthen our practices across 2023-24. We expect to see children better engaged and learning more at</p>	<p>As we work towards our OPAL accreditation, we continue to be supported by our OPAL mentor who is incredibly pleased with our progress and success.</p> <p>The sandpit areas are used by a great number of children, ensuring they are kept active and engaged at play. Children of all ages can be found playing in the sandpits and they enjoy playing alongside one another. Sandpit developments have really</p>

2. Equipment and Resources	£2364	<p>Strengthen existing sports/links and the breadth of sport by introducing high quality equipment and resources. This is not replacing like for like.</p> <p>Continue to provide and develop diversity in sports available.</p>	<p>A comprehensive spread of sports taught in PE lessons and promoted in the wider curriculum offer.</p> <p>Quality equipment is fit for purpose and enhances PE lessons and enables competitive sports.</p>	<p>PE and sport across the school is very well supported in terms of the best equipment and resources. Teaching and learning are of a high quality.</p> <p>The equipment and resources purchased have also enabled high quality extra-curricular provision and attendance.</p>
3. Transport to events and competitions	£1465	<p>Attend a range of competitions with use of the school mini-bus and external bus/coach companies.</p>	<p>Children will gain confidence in participating in wider competitions across the borough and within the Multi Academy Trust (MAT).</p> <p>The profile of PE and sport will continue to rise.</p>	<p>We participated in many of the sports competitions organised within Southend. This year this included football for boys and girls, archery, new-age kurling and boccia and inclusive bowling and swimming. We hope to build on this even further in 2024-25.</p> <p>This year, we performed better at the Local Authority's showpiece sports event – KS2 Borough Sports – where we finished 7<sup>th</sup> overall and many of our children were placed in their events and then competed again at 'Superports'.</p>
4. Funding for extra-curricular clubs/enhancements	£8564	<p>A range of sports clubs outside of the regular school day that are free for all pupils.</p>	<p>Children are healthier and behaviours (including learning behaviours) are outstanding.</p>	<p>Participation in extra-curricular clubs remains very high and learning behaviour both in</p>

		<p>Additional high-quality sports coaching within the curriculum offer and at lunchtime.</p>	<p>Children are able to take part in sports they enjoy and show aptitude for further involvement.</p> <p>Children demonstrate teamwork and sportsmanship.</p> <p>Extra-curricular clubs are well resourced.</p> <p>Children become familiar with sports they may not have yet experienced.</p>	<p>sessions and in classrooms is outstanding.</p> <p>Lunchtime sports coaching has improved play engagement, and was indeed used to target less active pupils.</p> <p>A football intervention club ran for selected children which helped with their emotional regulation and learning engagement.</p> <p>Children were set on pathways to sport outside of school. This included football and running.</p> <p>A particular drive in the school is to promote and engage SEND children in sport and physical activity. This year children attended the Panathlon inclusive swimming event at the Olympic Park and a local authority ten-pin bowling event.</p>
5. Outside Astroturf development	£3077	<p>Enhance the school's outside environment enabling better opportunities for PE, sport and exercise.</p>	<p>Children can access a safe 'Astroturfed' area for play; helping to ensure quality provision.</p>	<p>This work was actioned and has resulted in very active play for our younger children. The area has also been used within some PE teaching.</p>
6. New communication system for use at sports events and competitions	£1010	<p>Enhance the organisation of staff and children at sports events/competitions and improve coaching through the introduction of two-way radios.</p>	<p>At larger events and competitions, it can prove difficult to communicate and deliver messages to both staff and children.</p> <p>Two-way radio handsets will allow for quicker general communication</p>	<p>The radios worked well at events. An excellent example of this was at the annual sports day for KS1 and KS2. The day was incredibly successful with the sports working incredibly well thanks to the clear communication channels.</p>

			and for guidance around coaching and competition to be delivered in a timely way.	Radios have also been used in PE lessons to good effect.

### **Water Safety and Attainment Data 2023 – 2024**

The DfE asks schools to report on the competency of Year 6 pupils with regards to certain swimming expectations:

To:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- perform a safe self-rescue in different water-based situations
- use a range of strokes effectively

For the Year 6 cohort of 2023-24, 54% demonstrated competency in all three areas.
